Amman (Jordan)  
Chemistry*

## Training Course: Tendering Procedures and Strategies

Training Course code: PC4058 From: 20 - 24 April 2025 Venue: Amman (Jordan) - Chemistry Training Course Fees: 3250  
€ Euro

### Program Objectives:

By the end of the program, participants will be able to:

- Recognize the contracting stages from setting the scope of work to awarding the contract.
- Evaluate, in-depth, the process of preparing tenders and selecting potential suppliers.
- Identify the issues involved in assessing tenders for quality as well as value for money including e-Auction.
- Apply several approaches to bid evaluation using criteria, weights and scoring measures.

This Program is designed for:

All those involved in the early stages of contracting for them to review and have a full understanding of the tendering process as well as the different approaches to tender evaluation and assessment. This program is worth 25 NASBA CPEs.
