

*Conference:  
Management - Master Class*

*17 - 21 February 2025  
Liverpool (UK)*

## Conference: Management - Master Class

Conference code: CO8138 From: 17 - 21 February 2025 Venue: Liverpool (UK) - Conference Fees: 5775 € Euro

### Introduction

This fast-paced seminar provides an opportunity to stand back from the day-to-day pressures of managerial life and focus on the wider arena. Rather than covering all areas of management, the program focuses on those topics that many Management Professionals find little time to address during their typical busy working day. The aim is for participants to gain a holistic view of their wider organizational and strategic context and give them the tools to formulate meaningful longer-term personal and organizational objectives.

The highlights of this seminar are:

- How to analyze the external and internal forces at work in an organization
- How to develop and communicate a compelling strategic vision
- How to measure and manage performance
- How to interpret organizational culture
- How to build influence and trust within and beyond the team
- How to delegate effectively

### Conference Objectives of Management - Master Class

By the end of this conference you will be able to:

- Describe the effect of the external and competitive environment on their organization
- Select appropriate methods for measuring and managing performance
- Describe their organization's culture and climate and their effects on performance
- Link human resource management to strategic objectives
- Consider a range of approaches to delegation
- Select appropriate strategies for influencing and motivating others

### Conference Methodology of Management - Master Class

The seminar will combine presentations with facilitated discussions, interactive practical exercises, small-group activities, and case studies. The course is delivered in a highly interactive style and will be supported by case studies and video to enhance the learning experience

### Organizational Impact of Management - Master Class

- Have a clear understanding of management essentials
- Be better able to coach and improve productivity
- Better understand their own strengths and weaknesses
