## Training Course: Operation Procurement

Training Course code: PU235287 From: 5 - 16 May 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 8400 € Euro

### Introduction:

Welcome to the "Operation Procurement" training program, designed and conducted by Global Horizon Training Center. This comprehensive program is tailored to equip participants with the essential skills and knowledge required for effective procurement operations. The program combines theoretical foundations with practical insights to enhance the procurement capabilities of individuals and organizations.

### Objectives:

- Understand the fundamentals of procurement and its strategic importance.
- Develop skills for effective vendor management and negotiation.
- Learn best practices in procurement planning and risk management.
- Gain insights into sustainable and ethical procurement practices.
- Enhance communication and collaboration within the procurement process.
- Explore the use of technology and data analytics in modern procurement.
- Foster a proactive and adaptable procurement mindset.
- Understand legal and compliance aspects in procurement.
- Master the art of cost-effective procurement without compromising quality.
- Develop leadership qualities for successful procurement management.

### Target Audience:

This program is suitable for professionals across various industries involved in procurement, supply chain management, and those who want to deepen their understanding of the procurement process. The target audience includes:

- Procurement Managers
- Supply Chain Professionals
- Project Managers
- Business Analysts

- Finance and Accounting Personnel
- Legal and Compliance Officers
- Anyone involved in procurement-related roles
