Financial Modeling and Evaluation*

*2 - 6 March 2025  
Sharm El-Sheikh (Egypt)  
Sheraton Sharm Hotel*

## Training Course: Financial Modeling and Evaluation

Training Course code: MA235119 From: 2 - 6 March 2025 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel  
Training Course Fees: 3500 € Euro

### Introduction:

Financial modeling is a crucial skill for professionals working in finance, investment, and business analysis. This training program aims to equip participants with the knowledge and practical techniques needed to build accurate and effective financial models. Participants will learn how to create dynamic models that help in making informed decisions, analyzing scenarios, and forecasting outcomes.

### Objectives:

By the end of this training program, participants will be able to:

1. Understand the fundamentals of financial modeling and its significance in decision-making.
2. Create comprehensive financial models using Excel and other tools.
3. Analyze financial data, perform sensitivity analysis, and scenario planning.
4. Develop valuation models for companies and investment projects.
5. Communicate complex financial information through clear and concise models.

### Target Audience:

- Finance professionals and analysts.
- Investment bankers and financial advisors.
- Business managers and executives.
- Students and individuals seeking to enhance their financial modeling skills.
