Training Course: HAZOP Leadership and Management

Training Course code: LS32457 From: 10 - 14 March 2025 Venue: Barcelona (Spain) - Grupotel Gran Via 678 Training Course Fees: 5250 € Euro

Introduction

This course explores best practices in HAZOP leadership and management. You will learn about the application of the technique and how to plan and manage study programs more effectively. You will also learn how best to lead study teams to ensure maximum effectiveness and successful project execution.

Case studies will allow you to undertake a range of project team roles and provide the opportunity to guide a team through the HAZOP process.

Course Objective of HAZOP leadership and management

prepare for a HAZOP study meeting and program - including defining the scope of the study and choosing the team

choose nodes parts of the drawings or operation for HAZOP study

estimate the program requirements for the successful completion of a study

use facilitation techniques to motivate the team and keep them on task

avoid common problems encountered during study meetings, including challenging behaviors

formulate the HAZOP study report

understand the team leader's role in the implementation of recommendations and the management of the process.

Who Should attend?

This course is for individuals experienced in the HAZOP technique who are required to lead HAZOP studies. They must have experience as a team member and understand the HAZOP methodology. Experience as a HAZOP study scribe would also be useful.
