## Training Course: Working in Team, Enhancing Team Skills

Training Course code: PS1130 From: 6 - 10 January 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 5250 € Euro

### Introduction

A truth about life is our interdependence. Everything we accomplish within an organization is through the efforts of people working together. In spite of our technological advances, our competitive advantage lies in our ability to work effectively with other people.

The premise of this program is that organizations are much more healthy and productive when their relationships are strong and people work together. In a highly interactive environment, team members enjoy their work while learning principles and skills to ensure that they communicate, resolve conflicts, solve problems, make decisions and maintain a positive work environment. In this course we will cover:

- Fundamentals of high-performance teams
- Giving and receiving effective feedback
- Group dynamics and team decision making
- Team problem solving and conflict resolution
- Time management

### Course Objectives of Working in Team, Enhancing Team Skills

- Study effective team operations
- Analyze effective communications strategies
- Understand how to give and receive effective feedback
- Consider effective team dynamics and decision making
- Explore team problem solving and conflict resolution mechanisms
- Examine time management and personal productivity

### Course Methodology of Working in Team, Enhancing Team Skills

Building Skills for Working in Teams consists of five modules containing lecture content, skill assessments, participative discussions, video presentations and delegate exercises in order to create high impact training. The program is designed to be dynamic and highly interactive as well as educational. The primary focus is to provide delegates with concepts and methods which they can put to immediate use in the workplace.

### Organizational Impact of Working in Team, Enhancing Team Skills
