Training Course: Corporate & Financial Restructuring

Training Course code: FI2013 From: 28 April - 9 May 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 8400 € Euro

Introduction

Just because a company needs restructuring -- financial or operational -- does not mean it will do so. An erosion of Stakeholder value may occur for a variety of reasons, including Management interference. This program shows you how to do things right.

Corporate restructuring is defined as any fundamental change in a company's business or financial structure, designed to increase the company's value. Corporate restructuring is often divided into two parts; either 1 Financial restructuring or 2 Operational restructuring. This seminar emphasizes the practical side of corporate restructuring in today's ever-challenging world. It focuses on the two objectives of the practical application through case studies, examples and Excel® models as well as discussions of alternatives. Main ideas explored include:

- What is restructuring & what are the alternatives
- When & why should you restructure vs. not
- How to calculate the "real" value of a firm both before & after a restructuring
- What is Leverage; when to use it and how best to finance it
- When to divest an operating unit & how to do it to optimize the remaining value

Course Objectives of Corporate & Financial Restructuring

On completion of this module delegates will be able to:

- Fully understand the various form of restructuring
- Discuss the real difference between Corporate & Financial restructuring
