Conference: Mastering People Management & Team Leadership

Conference code: CO8250 From: 6 - 10 April 2025 Venue: Amman (Jordan) - Chemistry Conference Fees: 3575 € Euro

Introduction

The move to team leader or line manager is a significant change for a supervisor or technical specialist. Balancing wider organizational and customer demands with the needs of the team calls for a wide range of skills, and the ability and confidence to know when to stand back from operational pressures and understand the bigger picture.

Highlights include:

- Learning to stand back from everyday pressures
- Managing your time
- Influencing techniques
- Delegation and its power
- Team development
- Motivational skills

Conference Objectives of Mastering People Management & Team Leadership

By the end of this seminar you will be able to:

- Understanding your role as manager and leader
- Establishing clear objectives and standards of performance for your team
- Managing your workload using effective prioritization and delegation techniques
- Maximizing your influencing skills
- Building an effective team
- Developing and leveraging the capabilities of team members

Conference Methodology

The seminar uses a range of approaches to learning, including experiential group activities, individual exercises, mini-case studies, role plays, and syndicate discussions. Formal inputs are used to introduce the underpinning theory. A key part of the learning process is sharing the differing experiences participants bring, as well as experimenting with a novel - and sometimes challenging - techniques. A psychometric instrument will be used to generate a personality profile, which will contribute to your understanding of your preferences and personal style.

Organizational Impact of Mastering People Management & Team Leadership

Managers who have shared and practiced different ways of performing the key leadership functions offer increased self-awareness, flexibility, and confidence. They are better able to stand back from the everyday detail and focus on longer-term organizational needs, secure in the knowledge that their team is competent and motivated to deal with operational tasks.
