Conference: COSO Enterprise Risk Management Certificate

Conference code: CO234834 From: 30 March - 3 April 2025 Venue: Amman (Jordan) - Chemisty Conference Fees: 3575
€ Euro

Introduction

The complexity of enterprise risk has changed, new risks have emerged, and managing it has become everyone's responsibility.

The new COSO Enterprise Risk Management Certificate offers you the unique opportunity to learn the concepts and principles of the newly updated ERM framework and be prepared to integrate the framework into your organization's strategy-setting process to drive business performance.

Self-paced modules provide you with the knowledge necessary to understand and apply COSO's Enterprise Risk Management - Integrating with Strategy and Performance. The ERM framework assists management and boards of directors with their respective duties for managing risk.

It does so by explaining five easy-to-understand components that accommodate different viewpoints and operating structures and enhance strategies and decision-making.

Workshop Objectives

- An Overview of Enterprise Risk Management - Integrating with Strategy and Performance
- The Governance and Culture Component
- The Strategy and Objective - Setting Component
- The Performance Component
- The Review and Revision Component
- The Information, Communication, and Reporting Component
- Case Application - ERM Improvement Observations

Target Audience

- Team members who play a risk management role in entities of any size.
- Consultants who provide advisory services related to enterprise risk management.
- Board members who provide oversight of enterprise risk management

Workshop Outlines
