LNG Contract and Price Negotiation*

8 - 12 June 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: LNG Contract and Price Negotiation

Training Course code: EN235149 From: 8 - 12 June 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3900 € Euro

Introduction

The LNG Liquefied Natural Gas industry is a dynamic and rapidly evolving sector of the energy market. Effective negotiation of LNG contracts and pricing is crucial for success in this industry. This 5-day training program is designed to equip participants with the knowledge and skills necessary to excel in LNG contract and price negotiations. Whether you are a seasoned professional or new to the LNG market, this program will provide valuable insights and strategies to enhance your negotiation capabilities.

Objectives

At the end of this 5-day training program, participants will:

- Understand the LNG Industry: Gain a comprehensive understanding of the LNG industry, including its supply chain, market dynamics, stakeholders, and regulatory considerations.
- Master LNG Contracts: Explore various types of LNG contracts, key contract terms and conditions, and effective risk allocation strategies.
- Pricing Expertise: Acquire in-depth knowledge of LNG pricing mechanisms, pricing formulae, price review mechanisms, and negotiation techniques related to pricing.
- Negotiation Skills: Develop negotiation skills and techniques essential for successful LNG contract and price negotiations, including building trust, identifying BATNA, and applying negotiation tactics.
- Case Studies: Analyze real-world case studies of successful LNG negotiations, challenges, and dispute resolution mechanisms.
- Stay Updated: Stay informed about emerging trends in LNG contracts and pricing, and gain insights from industry experts.

Target Audience

This training program is ideal for professionals, managers, and executives working in the LNG industry or those looking to enter the field. The target audience includes:

- Energy industry professionals involved in LNG procurement, sales, or operations.
- Contract managers and legal professionals dealing with LNG contracts.
- Financial analysts and traders working in the energy sector.
- Government officials and regulators overseeing the LNG market.
- Entrepreneurs and business leaders exploring opportunities in the LNG industry.
- Anyone interested in gaining a deep understanding of LNG contracts and price negotiation.
