Training Course: Improving Coaching Performance

Training Course code: HE234959 From: 7 - 11 April 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5775 € Euro

Introduction:

Coaching is a powerful tool for improving safety performance in the workplace. Effective coaching can help employees identify and address safety hazards, promote a safety-first culture, and increase overall safety awareness. This training program is designed to provide participants with the knowledge and skills necessary to become effective safety coaches in their organization.

Target Audience:

This training program is designed for managers, supervisors, and other professionals who are responsible for promoting safety in the workplace and who want to develop their coaching skills.

Objectives:

- To provide an understanding of the role of coaching in promoting safety performance
- To develop the skills necessary to effectively coach employees on safety issues
- To understand the importance of creating a safety-first culture in the workplace
- To identify the key components of effective safety coaching
- To develop a coaching plan for promoting safety performance in the workplace

Day 1:

Introduction to Coaching for Safety Performance

- Overview of the role of coaching in promoting safety performance

- Understanding the importance of a safety-first culture in the workplace
- Overview of the 5-day training program

Day 2:

Coaching Principles and Techniques

- Understanding the key principles of effective coaching
- Developing effective coaching skills
- Identifying the key components of effective safety coaching

Day 3:

Coaching for Safety Awareness

- Understanding the importance of safety awareness in the workplace
- Developing strategies for promoting safety awareness through coaching
- Identifying the key safety hazards in the workplace and how to address them through coaching

Day 4:

Coaching for Safety Behaviors

- Understanding the role of safety behaviors in promoting a safe workplace
- Developing strategies for promoting positive safety behaviors through coaching
- Identifying the key safety behaviors that need to be encouraged in the workplace

Day 5:

Coaching Plan for Safety Performance

- Developing a coaching plan for promoting safety performance in the workplace
- Understanding the importance of continuous improvement in the coaching process
- Identifying opportunities for ongoing training and development in coaching for safety performance
