Training Course: Change Management

Training Course code: MA7021 From: 21 - 25 April 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5250 € Euro

Introduction:

The world of business is constantly evolving, and managers must adapt to the changing landscape to remain competitive. The ability to push for change and transformation is a crucial skill for managers to possess. This training program is designed to help managers develop the mindset, skills, and strategies necessary to lead change and transformation in their organizations.

Objectives:

- Understand the importance of change and transformation in today's business environment
- Develop a growth mindset and a willingness to embrace change
- Learn techniques for analyzing and diagnosing organizational problems and identifying opportunities for change
- Develop the skills needed to effectively communicate change and transformation initiatives to stakeholders
- Learn how to create and implement change management plans that minimize resistance and maximize buy-in
- Develop leadership skills that inspire and motivate others to embrace change and transformation

Target Audience:

This training program is designed for managers at all levels who are responsible for leading change and transformation initiatives within their organizations. It is particularly relevant for managers in industries that are undergoing rapid change or disruption.

Outline:

Day 1:

Understanding the Importance of Change and Transformation

- Introduction to the training program and objectives
