Conference: Pioneering Growth in Islamic Banking, Finance, and Investment

Conference code: CO235612 From: 4 - 8 May 2025 Venue: Amman (Jordan) - Chemisty Conference Fees: 3575 € Euro

Introduction:

This conference aims to gather professionals, scholars, and industry leaders in Islamic finance to explore the vast landscape of Islamic banking, finance, and investment. Over four days, participants will dive deep into the foundations of Islamic financial principles, examine cutting-edge products and services, navigate the regulatory landscape, and uncover emerging trends and technologies shaping the future of Islamic finance. This event will offer a unique platform to exchange knowledge, build networks, and drive innovation in Islamic finance to foster economic growth and ethical investments aligned with Sharia principles.

Objectives:

- 1. Understand Core Principles:** Explore the foundational concepts of Islamic banking and finance, focusing on Sharia compliance and ethical banking practices.
- 2. Analyze Financial Products and Instruments:** Gain insights into a wide range of Islamic financial products, including Sukuk, Takaful, and Sharia-compliant investment vehicles.
- 3. Navigate Regulatory and Compliance Frameworks:** Learn about the regulatory environment in key Islamic finance markets and best practices for compliance and standardization.
- 4. Embrace Technological Advancements:** Explore the impact of fintech, blockchain, and AI on the growth and innovation of Islamic finance.
- 5. Discover Investment Opportunities and Risk Management:** Delve into investment strategies, ethical investing, and effective risk management practices within Islamic finance.
- 6. Foster Global Connections:** Build networks among industry leaders, professionals, and scholars to strengthen the global Islamic finance community.

Target Audience:

- Financial and Banking Professionals:** Executives, managers, and officers from Islamic banks, conventional banks with Islamic finance divisions, and financial services.
- Investment Managers and Analysts:** Professionals involved in Sharia-compliant investment, including asset managers, portfolio analysts, and private equity investors.
- Regulators and Compliance Officers:** Representatives from financial regulatory bodies, compliance departments, and audit firms specializing in Islamic finance.
- Sharia Scholars and Academics:** Scholars, researchers, and professors focused on Islamic economics, finance, and banking.

- **Entrepreneurs and Fintech Innovators:** Startups, tech developers, and innovators in fintech solutions for Islamic finance.
- **Students and Young Professionals:** Individuals pursuing a career in Islamic banking, finance, and investment who seek foundational and advanced knowledge.
