Training Course: The Advanced Complete Program of Marketing, Communications & Media Planning

Training Course code: SM235021 From: 7 - 11 April 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5250 € Euro

Introduction

Marketing is the cornerstone of every successful business. To stay ahead of the competition, companies need to be able to effectively market their products and services. This five-day training program is designed to provide participants with an in-depth understanding of the role of promotion and the marketing mix. The training program will cover topics such as the key elements of the marketing mix, the role of promotion, and the different types of promotions. Participants will also learn about event management, launching an advertising campaign, developing a promotional campaign, and digital marketing strategies.

Methodologies

The training program will use a combination of lectures, case studies, group discussions, and practical exercises. Participants will have the opportunity to work on real-life scenarios and gain hands-on experience in developing marketing strategies. The program will be conducted by experienced marketing professionals with a proven track record in the field.

Objectives

The primary objective of this training program is to provide participants with the necessary knowledge and skills to develop and implement effective marketing strategies. By the end of the program, participants will be able to:

- Understand the key components of the marketing mix and the role of promotion
- Identify the different types of promotions and their objectives
- Develop strategies for the promotional mix across product life cycle PLC
- Plan and execute successful events
- Launch effective advertising campaigns
- Develop and implement promotional campaigns
- Understand the key components of digital marketing and develop digital marketing strategies

Target Audience

This training program is designed for marketing professionals, entrepreneurs, public relations officers, event managers, and anyone who is interested in learning more about marketing strategies. It is also suitable for those who are planning to start a business or launch a new product or service. Participants should have a basic understanding of marketing concepts and principles.
