Euro

Course introduction

The CIA designation is the only globally accepted certification for internal auditors and remains the standard by which individuals demonstrate their competency and professionalism in the internal auditing field. It has opened up countless doors of opportunity for practitioners around the world as it communicates their ability to serve as a key player in their organization's success.

Course Objectives of Internal Auditor CIA part 2Internal Audit Practices

Part-II Internal Audit Practices

This Part covers knowledge of basic financial decision-making techniques and in-depth knowledge of these tools. After getting this knowledge, you will be able to take part in Financial Decision Making in your organization. The concepts will help to understand how to analyze the financial data and financial statements of the organization, which helps in improving the overall efficiency of the organization.
