### Introduction

This Global Horizon Training Center Chief Financial Officer Programme may assist the CEO with forecasting, cost-benefit analysis, and obtaining funding for various initiatives. In the financial industry, a CFO is a highest-ranking position, and in other industries, it is usually the third-highest position in a company. A CFO can become the CEO, chief operating officer, or president of a company.

Broaden your perspective and prepare for the role of a strategic CFO by enhancing your skills to better align financial and corporate strategy.

### Training Program Objectives

- Financial leadership in action that embraces personal and wider risks of the role
- Fostering a winning relationship with the CEO/Board
- Strategic engagement, alignment, goal congruence, delivering concrete outcomes
- Acquiring commercial insights, and perspectives that feed into decisions making
- Leading through change, business transformation, and performance optimization
- Communicating business insights, and decision choices more succinctly and intelligently
- Embracing the power of digital and associated risks
- Nurturing finance talent and leadership pipeline

### Personal Benefit of The Chief Financial Officer Programme

- Develop your leadership, strategy, and communication capabilities to drive innovation and technological transformation throughout your organization.
- Define a long-term, strategic vision that balances financial and non-financial performance objectives with business strategy.
- Enhance your ability to predict, measure and monitor financial and non-financial performance.
- Strengthen your technical skills and financial expertise.
- Analyse the latest trends and external forces shaping your business, to elevate your credibility as a trusted internal advisor and key decision-maker.

- Build, lead, motivate and sustain high-performing teams to accelerate their impact.
- Enhance your strategic communication skills to become more influential, leading internal and external stakeholder groups with greater success.

## Organizational Benefits of The Chief Financial Officer Programme

- Generate actionable, strategic insights that improve the quality of decision-making across your organization.
- Identify, evaluate, communicate and drive the implementation of strategic choices that lead to sustainable value creation and organizational growth.
- Lead change and transformation efforts that create lasting value for you and your organization.
- Transform culture across your organization to be risk-aware and financially aligned.
