Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Professional Safety Management System

Training Course code: HE235614 From: 9 - 13 March 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3575 € Euro

Introduction

The 'Professional Safety Management System' training program is meticulously designed by Global Horizon Training Center to equip professionals with the knowledge and skills required to develop, implement, and manage a comprehensive safety management system in their organization. This program emphasizes the importance of proactive safety measures and the integration of safety protocols to ensure a secure work environment.

Objectives

By the end of this training program, participants will be able to:

1. Understand the principles of a safety management system and its role in the organization.
2. Develop a structured approach to identifying and assessing workplace hazards.
3. Implement risk management techniques to minimize safety incidents.
4. Monitor and evaluate the effectiveness of safety measures.
5. Enhance safety culture within the organization.
6. Comply with relevant safety regulations and standards.

Course Methodology

The training program employs a variety of interactive learning techniques, including:

- Lectures and presentations
- Case studies and real-life scenarios
- Group discussions and role-playing
- Hands-on activities and workshops
- Practical exercises and simulations

Organizational Impact

Implementing the knowledge gained from this training program will:

- Increase the overall safety of the workplace.
- Reduce the frequency and severity of workplace accidents.
- Minimize operational disruptions due to safety-related incidents.
- Enhance the organization's reputation for safety and compliance.
- Boost employee morale and productivity through a safer work environment.

Target Audience

This training program is suitable for:

- Safety managers and officers
- Human resources professionals
- Supervisors and team leaders
- Risk management professionals
- Anyone involved in developing or implementing safety policies in the workplace
