Training Course: The Virtual Leader: Developing & Leading Teams

Training Course code: LS1080 From: 7 - 11 April 2025 Venue: Cape Town (South Africa) - DoubleTree by Hilton Cape Town - Upper Eastside Training Course Fees: 5950 € Euro

Introduction

Managers today often find themselves balancing the need for getting the job done quickly, perhaps with fewer people, with the need for building working relationships that span barriers of time, distance, and culture, to name just a few. For many managers, this is unfamiliar territory that requires a new way of thinking about how to lead people. If this situation sounds familiar, this workshop is for you.

The workshop builds skills in two areas vital to the success of a virtual team: distance management and team leadership. By combining theory with experiential exercises, participants develop the skills required to meet the demands of the constantly changing global work environment.

Course Objectives of Virtual Leader

By the end of the course, the delegates will learn:

- How to manage performance virtually
- How to choose teams virtually
- How leaders can develop their virtual presence
- How to analyze personal growth virtually
- How to work with virtual teams
- How to use the tools of virtual management
- How to develop trust virtually
- How to work with different cultures in the virtual space

Course Process of Virtual Leader

This program utilizes experiential learning techniques with case studies, presentations, video segments and team-building exercises to strengthen the learning environment.

Course Benefits of Virtual Leader

- Concrete strategies for overcoming obstacles to virtual management
- New skills and tools required to lead across boundaries
- The ability to match technology to communication needs
- Increased commitment through awareness of potential cross-cultures
- Positive relationships as a result of setting compatible expectations.
- The distinction between traditional and virtual leadership skills, competencies, and attitudes needed to motivate workers across boundaries
- Strategies to overcome or lessen the challenges of managing virtually
- Factors critical to the success of a virtual environment
- How to match leadership style to the stages of the virtual team
- How to integrate multi-cultural considerations into thinking and decision making
- How to build and rebuild trust under adverse conditions

Course Results of Virtual Leader

- Create a team environment despite challenges from geography, time zones, and culture.
- Build trust with people from a distance
- Assess team performance from a distance
- Review the benefits and challenges of working in various distant locations and with other organizations to deliver services and projects.
- Understand the different cultures and how to use these to adjust your leadership style
- Understand your own leadership style and consider how this understanding might be used to improve relationships you have with others on a local and global basis
- Understand how effectively you lead currently and your situational leadership style
- Practice flexing your style of leading and communicating to appeal to varying audiences with differing expectations and preferences
