Training Course: Policies and Procedures for Human Resources

Training Course code: HR234927 From: 26 - 30 May 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5250 € Euro

Course Overview

Any organization needs certain guidelines to run smoothly. Guidelines are the morals, ethics, protocols, and procedures to follow to achieve the goals of the organization. These guidelines are called HR Policies and Procedures.

Every organization must consider all the small and big aspects of running a business and for that, they must have a specialist team of management and people from different departments in the organization.

How do HR Policies and Procedures benefit an organization Policies and Procedures simply provide guidelines on how what can and what cannot be done in an organization.

It defines and formulates the performance engagement and productivity of employees. It plays a major role in decision-making policies that are not government-enforced laws/ regulations however, their foundation touches the laws.

This Training course will empower you to create HR Policies and Procedures. Policies are defined as the goals, morals, objectives, benefits, disciplines, and compliance at the workplace. Whereas Procedures are defined as the way things must take place; the protocol to follow to perform a task or activity.

Course Objectives:

By the end of the HR Policies and Procedures Course, the participants of this course will be able to:

- Define Policies and Procedures
- Differentiate between Policies and Procedures
- Explain the importance of Policies and Procedures
