Conference: Leadership, Critical Thinking and Innovation

Conference code: CO8137 From: 24 - 28 March 2025 Venue: Liverpool (UK) - Conference Fees: 5775 € Euro

Introduction

This seminar empowers you to harness creativity for breakthroughs in your work, enabling fresh perspectives and innovative solutions. Discover how to expand your creative abilities and motivate creativity in your team. Learn to find creative solutions, make better decisions, and recognize and encourage creative talents. Challenge assumptions and broaden perceptions to unlock new possibilities. Elevate your creative edge for greater workplace success.

Objectives

- Build a culture that promotes innovation & creativity
- Become familiar with different styles of thinking and identify your personal preferences
- Develop creativity for transformational leadership
- Learn how to find out what you don't know and solve the real problem
- Challenge existing approaches to workplace issues
- Develop flexible creative and well-motivated teams

Methodology

This conference uses self-assessment questionnaires, models, practical exercises, case studies, presentations, and group discussions to develop creative thinking and innovative decision-making skills. The use of participants' own real work situations adds reality and enhances the transference of learning. This is a non-threatening environment that will allow participants to practice safe techniques they will then transfer to the workplace.

Organizational Impact

- Align their efforts to achieve organizational goals and objectives.
- build and develop their team's working style and processes,
- Enhance their team's commitment and achievement.
- Transfer the classroom learning directly to the workplace with immediate impact
- Create a climate of innovation amongst their teams
- Create ownership of complex problems and empower solutions

Personal Impact

- Consolidate the tools and techniques for thinking creatively,
- Make better decisions and solving problems innovatively and successfully.
- Learn a process for ensuring that your team contribute effectively
- Enhance creative thinking in the workplace.
- Display the confidence to tackle complex issues courageously
- Employ a comprehensive toolkit of processes and techniques to ensure success in any situation.
