#### Introduction

The Balanced Scorecard puts strategy at the heart of your organization, allowing you to focus 100% of your employees effort on the achievement of company objectives. It provides a powerful framework for the rapid and effective implementation of strategy, delivering breakthrough performance improvement.

#### Highlights of the seminar include:

- Understanding how to use the Balanced Scorecard to drive improved performance
- Building a Balanced Scorecard from scratch
- · Aligning your organization around commons goals
- · Stimulating activities and discussions
- Creating a personal action plan to drive performance improvement within your organization

## Conference Objectives of Strategic Planning Using the Balanced Scorecard

#### After attending this seminar, delegates will be able to:

- Translate vision and strategy into practical action and improved organizational performance
- Understand how to monitor and manage strategic performance
