Training Course code: FI2014 From: 24 - 28 February 2025 Venue: Cape Town (South Africa) - DoubleTree by Hilton Cape Town - Upper Eastside Training Course Fees: 5950 € Euro

Introduction

Effective planning and control entail developing skills that go far beyond mastery of any one discipline. This program addresses key issues, such as cost analysis, continuous improvement of cost assignment, budgeting, management control, and performance evaluation. In so doing, the program pushes delegates to understand the cause-and-effect relationship among business strategy and vision, operational objectives, measures, and targets, as well as advanced performance measurement and reporting. The program focuses on:

- Master the finance and accounting jargon to understand business processes
- Cost analysis for budgeting purposes and decision making
- Financial and operational measures to support the budgeting process
- Best practices to manage organizational performance
- Link strategy to costing and performance evaluation

Course Objectives of Business Financial & Accounting Skills
