Training Course: EmpowerED: Mastering Planning and Execution for Capacity Building Success

Training Course code: MM235302 From: 29 June - 3 July 2025 Venue: Alexandria (Egypt) - Training Course Fees: 4750 € Euro

Introduction

Welcome to EmpowerED: Mastering Planning and Execution for Capacity Building Success! This comprehensive 5-day training program is designed to equip participants with the knowledge, skills, and tools necessary to effectively plan and execute capacity building initiatives within their organizations or communities. Capacity building is a vital process for enhancing the abilities, resources, and sustainability of individuals, organizations, and systems. However, successful capacity building requires careful planning, strategic decision-making, and diligent execution. Through this program, participants will gain a deep understanding of the principles of capacity building, learn proven planning frameworks and techniques, and develop strategies for successful implementation and sustainability.

Objectives

- Understand the importance and impact of capacity building.
- Learn key concepts and frameworks for effective planning.
- Develop skills in stakeholder engagement and needs assessment.
- Gain proficiency in goal setting, resource allocation, and prioritization.
- Learn strategies for planning execution, monitoring, and evaluation.
- Develop implementation strategies and sustainability plans.
- Apply learning through case studies, group exercises, and simulations.

Target Audience

This training program is ideal for professionals, leaders, and practitioners involved in capacity building initiatives, including:

- Nonprofit organization staff and leaders
- Government agency employees
- Community organizers and development workers
- Consultants and advisors in organizational development
- Education administrators and faculty
- Healthcare professionals and administrators
- Corporate social responsibility managers
- Anyone interested in enhancing their capacity building skills and knowledge.
