## Training Course: Advanced Facility Management

Training Course code: MA235431 From: 7 - 11 April 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 5250 € Euro

### Introduction:

Welcome to the Advanced Facility Management training program, designed by Global Horizon Training Center. This program is crafted to equip senior-level facility management professionals with the cutting-edge skills and advanced knowledge required to excel in leadership roles. By participating in this course, you will enhance your strategic thinking, operational efficiency, and leadership capabilities in the field of facility management.

### Objectives:

- Develop a comprehensive understanding of advanced facility management concepts and practices.
- Enhance strategic planning and decision-making skills.
- Improve operational efficiency and sustainability of facilities.
- Strengthen leadership and management capabilities in facility management.
- Foster innovation and continuous improvement in facility operations.

### Course Methodology:

This training program employs a blend of interactive lectures, case studies, group discussions, hands-on exercises, and real-world scenarios. Participants will engage in collaborative learning experiences, applying theoretical concepts to practical situations, and developing actionable strategies for their organizations.

### Organizational Impact:

- Improved facility management practices leading to increased operational efficiency.
- Enhanced sustainability and environmental performance of facilities.
- Strengthened leadership and strategic direction in facility management.
- Greater innovation and continuous improvement in facility operations.
- Better alignment of facility management practices with organizational goals and objectives.

### Target Audience:

This program is designed for senior-level facility management professionals, including:

- Facility Managers
- Operations Managers
- Directors of Facility Management
- Property Managers
- Senior Maintenance Managers
- Professionals aspiring to advance to leadership roles in facility management
