Training Course: Transformational Leadership in Corporate Strategy

Training Course code: LS235664 From: 14 - 18 April 2025 Venue: Kuala Lumpur (Malaysia) - Royale Chulan Kuala Lumpur
Training Course Fees: 5250 € Euro

Introduction

Transformational leadership is a cornerstone of modern corporate strategy, driving innovation and sustained growth through inspired vision and impactful decision-making. This program, designed by Global Horizon Training Center, equips leaders with the skills and tools necessary to navigate complex business environments and foster an adaptive, high-performing organizational culture. Participants will explore strategies to align corporate vision with team objectives, leveraging transformational principles to motivate and engage stakeholders effectively. With a focus on practical application and continuous improvement, this training program empowers leaders to achieve organizational excellence and long-term strategic success.

Objectives

- Understand the principles and practices of transformational leadership and their application in corporate strategy.
- Enhance decision-making and strategic planning skills to align with organizational goals.
- Develop techniques to inspire, motivate, and empower teams for peak performance.
- Learn how to navigate and lead through change and uncertainty effectively.
- Cultivate a corporate culture centered on innovation, collaboration, and accountability.

Course Methodology

- Interactive lectures with real-world case studies and discussions.
- Role-playing exercises to practice leadership scenarios.
- Group workshops for collaborative problem-solving and strategic planning.
- Self-assessment tools to evaluate leadership styles and areas for growth.
- Multimedia presentations and simulations for immersive learning.
- Expert-led Q&A sessions to address participants' unique challenges.

Organizational Impact

- Improved strategic alignment across departments and business units.

- Enhanced employee engagement, motivation, and productivity.
- Greater adaptability to industry changes and market dynamics.
- Strengthened leadership pipeline to ensure long-term organizational success.
- Increased innovation and collaboration for achieving strategic objectives.

Target Audience

- Senior executives and corporate leaders.
- Department heads and team managers.
- Strategy and business development professionals.
- HR leaders responsible for organizational development.
- Emerging leaders aspiring to senior leadership roles.
