Training Course: Human Recourses KPIs and Metrics

Training Course code: HR234863 From: 25 - 29 August 2025 Venue: Amsterdam (Netherlands) - Training Course Fees: 5500 € Euro

Introduction:

The role of any HR professional is to effectively manage the deliverables and to do that they have to measure the effectiveness and efficiency of HR functions, and design improvement initiatives to achieve the desired outcomes.

To exist in this competitive world organizations, need to track everyday progress. Key Performance Indicators KPIs help to identify and bridge the gaps leading to the desired outcome.

KPIs are the strategic metrics that impact the Organisational strategy. It is a metric that shows HR's contribution to the organization. HR KPIs help to measure Organisations' performance.

It provides insight into what exactly the organization needs to achieve in the long term. Generic metrics track and provide data for the business to analyze, monitor, and strategizing, however, it is not as impactful as clearly defined KPIs. KPIs align with the goals and vision of the organization.

At Global Horizon Training Center you would be able to learn the most effective way of setting the right KPIs to measure the strategy and success.
