## Training Course: Certified Event Manager

Training Course code: MA235345 From: 5 - 16 May 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 9000 € Euro

### Introduction:

The Certified Event Manager - Extended Program is an immersive 10-day training designed to provide participants with an in-depth understanding of event management principles, practices, and strategies. From conceptualization to execution, this program covers every aspect of event planning, equipping participants with the knowledge, skills, and certifications needed to excel in the fast-paced world of event management.

### Target Audience:

This program is suitable for individuals seeking to pursue a career in event management, including:

- Aspiring event planners and coordinators
- Marketing and communications professionals
- Hospitality and tourism professionals
- Business owners and entrepreneurs interested in event planning

Participants may vary in experience levels, from beginners with little to no prior knowledge of event management to seasoned professionals looking to enhance their skills and credentials.

### Objectives:

By the end of this extensive training program, participants will be able to:

1. Develop comprehensive event management plans, including budgets, timelines, and logistics.
2. Implement effective marketing and promotional strategies to attract attendees and sponsors.
3. Navigate legal and regulatory considerations related to event planning and execution.
4. Demonstrate proficiency in project management, communication, and stakeholder engagement.
5. Apply industry best practices and emerging trends to create memorable and impactful events.
6. Earn a prestigious certification as a Certified Event Manager, validating their expertise and credibility in the field.

### Outlines:

#### Days 1-2: Foundations of Event Management

- Introduction to event management principles and practices
- Understanding the event planning lifecycle
