## Conference: Effective Performance Management

Conference code: CO8245 From: 20 - 24 October 2025 Venue: London (UK) - Landmark Office Space - Portman Street  
Conference Fees: 6000 € Euro

### Introduction

This conference explores the design and implementation of effective performance management processes, emphasizing a combination of theory and practical application. It covers key techniques such as setting objectives, monitoring performance, giving feedback, coaching, and appraisal, highlighting the roles of HR and line managers. Practical workshops are conducted daily to reinforce learning. Topics include designing performance management schemes, equipping managers with necessary skills, addressing cultural considerations in appraisals, managing poor performance, using positive reinforcement, and advanced performance management strategies. Participants will gain tools to drive and sustain high organizational performance.

### Objectives

- Understand performance management in a multi-cultural environment
- Describe the purposes of performance management, from an organizational point of view
- Describe the purposes of performance management from an individual's point of view
- Demonstrate the skills involved in each of the four steps of performance management
- Describe best practice in assisting with employee work-performance problems
- Make the links between performance management and corporate strategy

### Methodology

The training methodology used is designed to encourage maximum participation by all delegates. The presenter will suggest ideas and theories to the delegates and then encourage them to test out the ideas by the use of discussion, small group work, exercises, and feedback. Each day of the seminar will end by delegates completing their own record of what has been learned on the day and considering how the ideas might be transferred back to the workplace.

### Organizational Impact

- The managerial performance will be improved
- Add value to the department and the organization as a whole.
- The engagement of employees with the organization will be improved

- Staff committed to building a high-performance organization
- The behaviour will be aligned with an organization's cultural values
- Participants are encouraged to take new ideas and strategies back to their workplace for discussion with their managers.

## Personal Impact

- Will enable participants to implement effective performance management
- Improved confidence and self-assurance in dealing with performance issues
- A greater understanding of how to make a performance appraisal a positive and motivating influence
- Will enable participants to apply best practice in discipline and performance improvement planning
- Greater awareness of own beliefs and limitations related to employee performance
- Will enable participants to positively influence high performance
