Training Course: Human Resource Management

Training Course code: HR234804 From: 14 - 18 July 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 € Euro

Introduction

This course is designed to provide an understanding of the HRM concept and deliver the basis for the key HRM practices and procedures, to raise individual performance levels and achieve your corporate objectives.

Gain the ability to increase the performance, skills, attributes, and professionalism of your company's employees to enhance and sustain a competitive advantage with our Human Resource Management course.

With the skills developed through this course, participants will understand how to manage human resource responsibilities, and find employees who will positively impact their company's competitive position with confidence and professional acumen. This seminar is for professionals who want to go a step further and increase their responsibilities, reliability, salary, and status.

This training course will highlight:

- Equip participants with skills and knowledge on how to carry out their main responsibilities as Human Resource Managers/ assistants
- Suggest and analyze all features and skills required to be an ideal Human Resource Manager
- Improve participants' skills in recruitment, selection, integration, and retention of new employees
- Train managers on how to deliver effective performance feedback, rate employees, accurately, and mitigate legal risk.

Objectives

The training course will enhance your ability to identify and determine the statutory, legal, and compliance requirements within your organization. It will boost your skills in ensuring that work activities adhere to and are compliant with legal frameworks while seeking to provide an environment that minimizes the risk to all who operate within it.

At the end of this training course, you will learn to:

- Describe the role of a human resources manager
- Familiarize yourself with the employee development landscape at your organization
- Identify the factors that influence the workforce
- To make decisions based on evidence rather than opinion
- To understand the principles of Organization change

- Identify effective planning, recruitment, and selection practices to align selection and staffing strategies with business strategies
- Describe the key features of the employment process
- Create a workplace atmosphere that reduces the occurrence of behavior issues through effective communication with new and existing employees
- Analyze labor relations environments, understanding regulatory and organizational elements and how they affect relationships between management, unions, and employees
- Select appropriate training methods, technologies, and content for employee development
- List the forms that conflict may take in the workplace & suggest ways to alleviate conflict
- Comprehend HR Scorecards
