## Conference: Business Brain Train

Conference code: CO8075 From: 10 - 21 February 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Conference Fees: 9800 € Euro

### Introduction

When did you last stop to think about how you work at work - and whether the way you work could be changed to help you be more successful? The Business Brain Train Seminar provides a thoroughly enjoyable environment for you to explore these questions. It shows how to make yourself more effective using mind mapping; teaches techniques for faster, more effective reading, and shows how to use memory systems to remember information. It examines techniques for idea generation, creativity and problem solving; planning; time management; and inter-personal communication skills including making a speech and how to improve meetings. It focuses on the core skills required for success in any enterprise. **The seminar helps individuals:**

- Read faster and read better combining speed reading with techniques for better comprehension
- Learn how to use mind mapping for planning, note-making, and clearer-thinking
- Learn the secrets of memory systems - and how to use them to remember information
- Generate ideas and use problem-solving techniques
- Develop strategies for managing time, priorities and pressure
- Understand the importance of the whole brain effect on business effectiveness

### Conference Objectives of Business Brain Train

- Read faster and more efficiently. Tackle reading tasks with more confidence
- Combine fast reading, mind-mapping and memory skills with time management techniques to help handle information overload
- Develop effective strategies for managing time, priorities and pressure
- Be able to explore and develop new ideas and approaches
- Be more confident in your ability to work in groups, to contribute ideas and to take initiative and responsibility
- Understand how to create a success culture using business brain skills

### Training Methodology of Business Brain Train

This conference is enjoyable, practical, and interactive. The techniques are presented in a clear and easy-to-learn way using a mix of an individual experiment, group work, and discussion. You will find plenty of opportunities to participate, comment, and question - but will never be put under pressure to express opinions or compete. You will be invited to learn at your own speed and to focus on developing your own skills.

### Organizational Impact of Business Brain Train

Organizations can expect delegates to:

- Better equipped to handle information overload
- Be more effective readers saving time and improving efficiency
- Able to use simple memory systems to remember information e.g. procedures, processes, facts, speeches
- Able to use creative thinking tools and be more confident about working in groups and contributing ideas

- Understand how everyone in an organization has a part to play in creating a success culture

## Personal Impact of Business Brain Train

- A better understanding of "brain skills" as a foundation for personal effectiveness and working success
- Improved self-belief and self-confidence inability to handle information overload
- More confidence and success when reading and remembering information
- Be more confident inability to work in groups and contribute ideas
- Able to apply creative thinking skills to difficult challenges
- Better able to prioritize and manage own time and resources
