Introduction

In an ever-increasing pace of Life and Business, it becomes even more important to remove stress and operate with heightened sensory acuity. As the cost of stress to the employer continues to grow, organizations must recognize stress in their employees and train management to manage stress productively. A recent survey showed that 1 in 5 people report their work to be very or extremely stressful, citing the nature of their work, relationships at work, or their employer as the cause.

It has been stated, that "The ability to communicate well" is ranked the number one key to success, by leaders in business, politics and the professions. To be really successful in business, it is essential to learn, appropriate, practice and develop, vitally effective communication skills, both on a one-to-one basis, and to small and large groups. This two-module course covers these strategic areas in a unique, proactive manner, and result in top-quality performance.

Participants attending this course will:

- Identify and deal with the causes of stress and how Time affect you and others
- Increase self-confidence and increase personal motivation
- Understand communication and persuasion and what impact they have on an organization's ability to function.
- Be able to use communication and influence to improve an organization's productivity, profitability, morale, etc.
- Have Increase self-awareness and develop the skills to deal confidently and professionally with colleagues and customers

The course is split into two modules:

MODULE I - Setting Priorities, Time Management & Stress Reduction: Managing Stress & Pressure at Work

MODULE II - Personal Effectiveness & Influencing Skills: Communicate, Negotiate, Influence & Persuade

Each module is structured and can be taken as a stand-alone course; however, delegates will maximize their benefits by taking Module 1 and 2 back-to-back as a two-week course.

Course Objectives Priority Management

In this course, delegates will be able to:

- Actively identify and reduce stress in themselves and others

- Develop ways of Managing the most Important element - TIME
- Maximizes performance and motivation at work
- To see how every area of life is affected by Communication
- To upgrade their personal communication and presentation skills

Course Methodology of Priority Management

This course will be presented in a highly interactive manner, with a very impactful computer presentation style. Individual and group activities will intersperse the sessions. Video and role-plays situations will highlight major teaching features.

A variety of Practical Sessions and Role Plays, and group inter-action are programmed into this Communication Course. These sessions are most informative, inspiring, fun, and presented in a relaxing atmosphere, that is conducive to learning and overcoming any fear or inadequate tendencies.

Organizational Impact of Priority Management

- Stress is an individual physical response to a given stimulus and therefore everyone responds differently in different situations. What is acceptable for one person can be extremely stressful for another
- Only by providing employees with a clear understanding of why they feel stress, and providing them with the ability to do something about it, can companies hope to truly protect their employees.
- This program introduces delegates to the close relationship between mind and body, how physical responses are influenced by thinking patterns, and how personal conditioning can lead to stress, task avoidance, even phobic reactions.
- Effective communication enhances company performance and profit. When staff can communicate confidently and professionally with colleagues and customers, everyone benefits.
- In today's competitive environment, having staff that can communicate with impact is a strong competitive advantage. Learning how to influence others also results in increased productivity and performance.

Personal Impact of Priority Management

- Reduction of Stress is a unique stress management program. It addresses problems caused by stress, by providing delegates with practical solutions for dealing with stress in any situation. Each Delegate will develop their own set of resources to deal and eliminate stress in seconds.
- Learn to Reframe situations and always see the positive
- Delegates learn how to relax, regain control and focus on taking personal ownership and Responsibility for their state of mind and achieve positive outcomes to any situation
- Participants will identify and develop their communication skills and learn how to use these skills constructively in interpersonal behavior. Incorporating these skills and techniques into their work behavior,

participants will demonstrate more effective work-based skills, such as leadership, negotiation and team-based problem-solving.

- Ultimately, this type of training allows people to better understand their own behavior and develop higher self-esteem, self-understanding, and confidence.
