Conference: Effective Self Management

Conference code: CO8134 From: 21 - 25 July 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Conference Fees: 6000 € Euro

Introduction

"Your success is determined by your daily agenda." - John Maxwell

This conference focuses on the importance of self-management in achieving personal and professional success. Participants will learn to set goals, monitor progress, and reward achievements. The program encourages individuals to take responsibility for their tasks, prioritize life goals, and balance work and family commitments. Develop strategies to manage stress, create positive deadlines, and improve overall performance through effective self-management.

Objectives

- Cultivate the habit of finishing projects
- Develop your self-confidence and self-assurance in your ability to achieve goals
- Develop effective strategies to cope with stress
- Reappraise the current situation and make the necessary adjustments to succeed
- Learn to manage your time better

Delegates

The course is designed for anyone who desires to demonstrate self-management in their work and balance their priorities between work and family commitments. The course is appropriate for those who have some management experience and wish to enhance their self-management skills to be successful workers. This course is suitable for:

- Team members
- Supervisors
- Management professionals
- Delegates of any sector of industry and/or business

Process

This course is an interactive mixture of lectures, discussions, activities, and practice on developing self-management skills. It provides definitions, examples, discussion, and activities designed to promote skill building with interaction and discussion among participants. Activities and work on examples and role-playing are used to

highlight concepts taught and allow participants to practice skills learned in this course.

Benefits

- Learn how to manage your time better
- Identify your life goals and develop a plan on how to achieve them successfully
- Achieving a balance between work, family, and rest
- Manage emotions, and build and maintain relationships
- Deal with pressure and stress in the workplace

Results

- Allow individuals to work towards personal and business goals with self-initiative
- Employees develop self-awareness and self-management of their behaviors
- Respond positively to change, seeking support when needed
- Ability to show flexibility according to the changes in the business environment
- Employees learn to prioritize and accomplish set goals
