

*Training Course:
Assets and properties in facilities*

13 - 24 April 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Assets and properties in facilities

Training Course code: EN235005 From: 13 - 24 April 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 6600 € Euro

Introduction:

Assets and properties are crucial components of any facility that must be managed effectively to ensure their longevity and efficient use. Civil assets, mechanical assets, and electrical assets are some of the main types of assets found in facilities. The management of these assets requires specialized knowledge and skills, and this training program aims to provide participants with the necessary tools to effectively manage these assets.

Objectives:

- To understand the importance of effective asset management in facilities.
- To gain knowledge about the different types of assets found in facilities, including civil, mechanical, and electrical assets.
- To learn how to assess the condition of assets and develop maintenance strategies to extend their life.
- To understand the principles of risk management and how to apply them in asset management.
- To learn how to track asset performance and make data-driven decisions to optimize their use.
- To gain an understanding of the regulations and standards governing asset management in facilities.

Target Audience:

This training program is suitable for professionals involved in the management of assets in facilities, including facility managers, engineers, maintenance technicians, and operations managers.
