Training Course: Training and Development Professionals

Training Course code: MA234809 From: 28 April - 2 May 2025 Venue: Singapore - Training Course Fees: 5950 € Euro

Introduction

Training and development professionals are under continuous pressure to offer exceptional training services. The demands of their job can only be fulfilled through extensive knowledge of the main topics related to the training profession.

This training program will equip participants with practical knowledge and effective skills for promoting training within their organizations, linking training to organizational objectives, analyzing training needs, and selecting internal trainers and external consultants. In addition, the course focuses on different levels of training evaluation and on the competencies required by training professionals.

Methodologies

Participants will learn by doing. A number of practical group exercises are used to assist participants in applying theoretical knowledge to organizational settings.

Objectives

By the end of the course, participants will be able to:

- Describe the strategic significance of training with particular emphasis on aligning training with strategy, promoting training within the organization and partnering with managers and supervisors
- Develop appropriate methods to conduct a Training Needs Assessment TNA
- Examine ways to select internal trainers and to hire external consultants
- Demonstrate the success of training at all evaluation levels, from reaction to Return On Investment ROI
- List foundational competencies for training professionals along with key actions and behaviors
