Conference: Mastering Human Resource Management

Conference code: CO8261 From: 3 - 7 February 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Conference Fees: 6000 € Euro

Introduction

This conference highlights the evolving role of HR in aligning with business strategy, emphasizing its strategic value. Attendees will stay updated on the latest international HR trends and explore new HR measurement tools. The conference offers an A-Z approach to mastering HR strategic thinking and introduces innovative methods for performance appraisal. Participants will gain practical insights to enhance organizational performance through a modern, strategic HR approach.

Objectives

- See the new three-tier HR framework and understand the structural changes needed
- Use the new HR maturity model to measure the existing position and develop strategies for the future
- Understand and use strategic models and implementation processes to deliver future-based results this includes a new complete end-to-end strategic model
- Use the organizational maturity model questionnaire to plot the current position of their organization
- Understand and be able to use a corporate culture program to change organizational culture
- Use the new MMM motivational model for re-energizing the organization
- Learn how existing appraisal systems can be changed to produce measurable performance and competency results
- Understand and be able to use creative methods for improving HR performance
- New approaches to Pay and benefits
- Explore knowledge management and the role of emotional intelligence in tomorrow's organization
- Create added value - beyond key indicators

Organizational Impact

Organizations sending staff to this conference will have access to the latest thinking and the value-added output that HR can deliver.

Organizations that are looking for efficiency, performance improvement, and getting more from what already exists will realize their expectations. Any organization wishing to see Human Resources as a value to the company will find this conference essential. Those attending will have access to three of the most innovative HR measurement

tools.

Personal Impact

- You will find out not only what's new but also - how to do it
- You will have unique access to questionnaires that you can use in the workplace
- Your learning will be enhanced by case studies and the latest video clips
- If you are looking to improve your skills, contribute more to the organization, or need to be more knowledgeable for promotion
- You will have the unique opportunity to discuss matters on a one to one with a world-class guru
- The new approach to HR will enable you to take a lead in change
- You will have an additional hand out which includes all the formulas for calculating manpower planning and unit costs

Competencies Emphasised

- Strategic planning
- Trend analysis
- planning
- Innovation and Creativity
- Human Resources Mastery
- Corporate innovation

Methodology

The training will be conducted in a relaxed and supportive environment with wide use of case studies and teamwork, with supporting appropriate videos. Delegates will have the opportunity to complete several new HR survey questionnaires released in 2005.
