Training Course: The Oxford Advanced Finance Leaders Programme

Training Course code: FI2004 From: 28 December 2025 - 8 January 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 6250 € Euro

Introduction

This seminar brings together some of the most important areas of management, leadership, and financial management: Mastering People Management & Team Leadership Skills, and Financial Analysis, Planning, and Control. It will help business professionals:

- Stand back from the detail of their everyday specialism and appreciate the bigger picture required of management roles
- Apply effective people management skills confidently
- Use the financial techniques of planning and control
- Improve performance from the use of the tools of financial analysis
- Preparation financial projection models to determine the financing needs of the business

This seminar

[MODULE I - Mastering People Management & Team Leadership Skills](#)

[MODULE II - Financial Analysis, Planning & Control](#)

Each module is structured and can be taken as a stand-alone course; however, delegates will maximize their benefits by taking Module 1 and 2 back-to-back as a two-week seminar.

Objectives

By the end of this seminar delegates will be able to:

- Understanding your role as manager and leader
- Establishing clear objectives and standards of performance for your team
- Managing your workload using effective prioritization, delegation and information management techniques
- Maximizing your influencing skills
- Developing and leveraging the capabilities of team members

Training Methodology of Oxford Advanced Finance Leaders Programme

The management and leadership elements of the seminar use a range of approaches to learning, including experiential group activities, individual exercises, mini case studies, role-plays and syndicate discussions.

The financial elements of the seminar include numerous practical examples and real-life illustrations. The training methodology combines presentations, discussions, team exercises, and case studies. The emphasis is on gaining the theoretical knowledge and practical application of all the topics covered.

Organizational Impact of Oxford Advanced Finance Leaders Programme

- Managers who have shared and practiced different ways of performing the key leadership functions offer increased self-awareness, flexibility and confidence.
- Able to stand back from the everyday detail and focus on longer-term organizational needs secure in the knowledge that their team is competent and motivated to deal with operational tasks.
- An increase in the ability of their managers to understand and analyze the key financial statements
- Anticipate the financial factors that form the basis of strategic decision-making, which should ultimately result in better planning, and improved company performance.
- All the topics in this seminar are considered in the context of the maximization of shareholder wealth, which is the primary objective of all commercial organizations.

Personal Impact

- Delegates will be exposed to a range of different approaches to leadership and management practice, allowing them to select those most suitable for their situation and personal style.
- Delegates will have the chance to experiment with key techniques before applying them in the workplace will help build the confidence to move beyond traditional assumptions about the "right" way to manage.
- Delegates will have the opportunity to broaden their financial knowledge to enable them to develop and manage the financial aspects of their role more effectively and improve performance
- Delegates will acquire the ability, when involved in decisions about investment, operations, or financing, to choose the most appropriate tools from the wide variety of financial techniques available to provide quantitative analysis.
- Delegates should leave the seminar with a better understanding of the financial tools and techniques that support an organization's planning and control, with regard to their own departments or business units, as well as their companies.
