Introduction

High productivity at work is never an accident. It is the result of the practical skills and strategies you will learn in this program, along with your commitment to personal improvement, hard work, and intelligence. You will learn how to become the type of rare high performer that organizations of all kinds and sizes say they desperately need and look to hire, retain, and promote.

Course Objectives of Effective Personal Productivity

In this program you will learn to:

- Be willing to take full responsibility for your life and your success
- Increase your personal productivity by working smarter, faster, and better
- Resolve conflict situations constructively
- Become adept at negotiating win/win outcomes in everyday situations
- Understand the team concept, how to be a team player and promote teamwork
- Demonstrate initiative and leadership skills from your current position

Course Process of Effective Personal Productivity

The seminar uses the latest thinking in adult learning principles including experiential exercises, self-assessments, video dramatizations, skill practices, case studies, behavior modeling, and group discussion. The emphasis is on application rather than theory. It enables participants to learn new competencies and gives them the tools to apply them back home.

Course Benefits of Effective Personal Productivity

Skills for Building Career Success gives employees advanced competencies in 3 critical categories for workplace excellence:

- Personal productivity and effectiveness
- Teamwork and collaboration
- Leadership and initiative

Course Results of Effective Personal Productivity

The most effective organizations invest in their people. They realize that skilled and motivated employees are intelligent and resourceful people who continually improve their value and contribution to the organization. The subject matter in this course is based on over 20 years of research into those skill sets that will have the greatest impact upon the performance of employees and, therefore, upon the future of their organizations.
