

*Training Course:  
Corporate Finance*

*4 - 8 August 2025  
Trabzon (Turkey)*

## Training Course: Corporate Finance

Training Course code: FI2043 From: 4 - 8 August 2025 Venue: Trabzon (Turkey) - Training Course Fees: 5500 € Euro

### Introduction

This course offers insights into the world of corporate finance. The focus is on every responsibility area of the firm & how finance impacts what they do. To that end, this course offers an overview of the interaction between finance, management, and all other stakeholders. Because stakeholders' demands are best met by an efficient allocation of resources, this course looks at that purpose.

Corporate Finance not only presents the key financial terms & tools as they are used in the real world but also explains the broader context of how and where they are applied to every area of the firm. Delegates attending this program will gain an understanding of the inter-relationship of financial decisions to the firm's strategy. Additionally, an understanding of how decisions are made using the firm's financial statements will tremendously help everyone manage the organization better

Key points include:

- Accounting vs. finance: the fundamentals
- How the 3 financial statements are inter-related & why we care
- The need to manage Working Capital
- Why Capital Structure can make or break a firm
- Capital budgeting that makes a difference

### Objectives

This course will help you learn how to::

- Relate accounting & finance
- Analyze financial statements
- Make better capital budgeting decisions
- Use working capital more wisely
- Structure of the firm's leverage to optimize the shareholder return

### Process

# *This workshop will be hi*

learning, using a range of methods including discussions, real-world examples, and case studies. Where appropriate, these will include real issues brought to the workshop by delegates. Lessons learned from the seminar can be applied to your own organization immediately.
