Financial Modeling & Fundamental Analysis

24 - 28 November 2025
Kuala Lumpur (Malaysia)
Royale Chulan Kuala Lumpur

Conference: Financial Modeling & Fundamental Analysis

Conference code: CO235292 From: 24 - 28 November 2025 Venue: Kuala Lumpur (Malaysia) - Royale Chulan Kuala Lumpur Conference Fees: 6000 € Euro

Introduction:

Financial Modeling & Fundamental Analysis workshop is designed to provide participants with comprehensive knowledge and practical skills in analyzing financial data to make informed investment decisions. Through a blend of theoretical concepts and hands-on exercises, participants will gain proficiency in building financial models and conducting fundamental analysis.

Target Audience:

- Finance professionals seeking to enhance their analytical skills.
- Investors looking to make informed decisions in the stock market.
- Students pursuing degrees in finance, accounting, or related fields.
- Anyone interested in understanding the fundamentals of financial analysis and modeling.

Objectives:

By the end of the workshop, participants will be able to:

- Understand the principles of financial modeling and fundamental analysis.
- Build robust financial models using Excel or other relevant software.
- Analyze financial statements to evaluate a company's performance and financial health.
- Interpret key financial ratios and metrics to assess investment opportunities.
- Apply various valuation techniques to estimate the intrinsic value of a company.
- Make informed investment decisions based on sound financial analysis.

Outlines:

Day 1:

Introduction to Financial Modeling

- Understanding the basics of financial modeling

- Overview of Excel functions and shortcuts for financial modeling
- Building a simple financial model: income statement, balance sheet, and cash flow statement

Day 2:
