Training Course: Legal Project Management

Training Course code: PC235223 From: 10 - 14 November 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction:

Legal Project Management LPM is a crucial discipline within the legal field that focuses on efficiently managing legal projects, improving client satisfaction, and increasing law firm profitability. This training program aims to provide legal professionals with the knowledge and skills necessary to effectively manage legal projects, streamline workflows, and deliver exceptional legal services.

Target Audience:

This training program is designed for:

- **Lawyers and Attorneys:** To enhance their project management skills and improve legal service delivery.
- **Legal Support Staff:** Paralegals, legal assistants, and administrators who are involved in legal project work.
- **Legal Department Personnel:** In-house legal teams and corporate counsel responsible for managing legal projects.
- **Law Firm Managers:** Practice managers and legal operations professionals seeking to improve efficiency.

Objectives:

By the end of this training program, participants should be able to:

- Understand the core concepts of Legal Project Management.
- Apply project management principles to legal matters.
- Effectively communicate with clients and stakeholders.
- Create efficient project plans, budgets, and timelines.
- Manage risk and mitigate potential legal issues.
- Improve time and resource management within legal projects.
- Enhance client satisfaction and build stronger client relationships.
- Optimize the profitability of legal services.
