Training Course: Strategy and Organizational Structure

Training Course code: MA235273 From: 7 - 11 September 2025 Venue: Amman (Jordan) - Chemisty Training Course
Fees: 3550 € Euro

Introduction:

Welcome to the Strategy and Organizational Structure training program designed by Global Horizon Training Center. This program aims to equip participants with the essential knowledge and skills needed to formulate effective strategies and understand the significance of organizational structure in achieving business objectives. Our comprehensive approach combines theoretical insights with practical applications to empower participants in navigating the dynamic business landscape.

Objectives

By the end of this training program, participants should be able to:

- Understand the fundamental concepts of strategy and organizational structure.
- Analyze and evaluate different strategic frameworks.
- Apply consulting methodologies to address organizational challenges.
- Develop strategic plans aligned with organizational goals.
- Design and implement effective organizational structures.

Target Audience

This program is designed for mid-level professionals who are involved in strategic decision-making and organizational development. It is particularly suitable for individuals working in consulting roles or those aspiring to enhance their consulting skills.
