Training Course: Preparing and Developing Training Specialist and Coordinators

Training Course code: HR3016 From: 24 - 28 November 2025 Venue: Paris (France) - Training Course Fees: 5500 € Euro

Introduction

This brand new program is designed for anyone in training or involved in the development and who needs to understand how all the elements of training work. The program specifically will give you detailed knowledge on the new training cycle and explain how to get the best from external and internal training and suppliers. This course is in direct response from you to our customers, for a very practical, hands-on week of training.

Key points of the week include:

- Mastering the new training cycle
- How to specify training from external providers
- How to manage demands and prioritize any training request
- Understand and be able to implement a training system and understand the software available
- Be able to explain to others how training costs are arrived at
- Show to others the value of training

Course Objectives of Preparing and Developing Training Specialist and Coordinators

At the end of this course delegates will be able to:

- Write learning objectives and be able to do specifications for internal and external use
- Know how to prioritize training and be able to convincingly explain the process to others
- Know how to identify competency gaps and to measure training results from competency-based training
- Know what to look for when sourcing external suppliers and how to get the best value
- Understand the role and responsibilities of the 4 key jobs in training and be able to explain this to others
- Explain to others how training adds value and show practical examples in both the Public and Private Sectors.

Training Methodology

This is a very practical studies, team working on topic related exercises, some mini-presentations, and re-enforcement using a variety of DVDs. Delegates will also be able to put together a back-at-work plan for implementation or discussion.

Organizational Impact of Preparing and Developing Training Specialists and Coordinators

Those organizations supporting this program will:

- Have properly trained and informed people who will be able to add value when they return to work
- Be able to specify internal and external training to a very exact standard
- Have a process approach to training that will be auditable.
- Be able to show accurately the cost of all types of training
- Show the cost-benefit of certain types of training
- Will be able to show others "best current practice"

Personal Impact of Preparing and Developing Training Specialists and Coordinators

- Have the correct information and process knowledge to make informed decisions
- Be able to talk with confidence on all of the 4 key areas of training
- Master the jargon and be able to become professional in your approach
- Be able to make sound decisions on which areas of training you might want to work in, in the future.
- Be more effective in your day to day work by mastering several training processes
- Know and be able to explain to others why some people will not respond to training
