

*Training Course:
Web Development*

17 - 21 August 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Web Development

Training Course code: IT234608 From: 17 - 21 August 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 € Euro

Introduction

Learn how to build dynamic web applications. In this course, we will teach you the fundamentals through the development of a sample application that exposes a public website. you'll also learn web architecture best practices to help you build single-page, multi-page, and hybrid web apps with Express. With this course, frontend and backend engineers familiar with Javascript will discover new ways of looking at web development

Course Objectives of Web Development

1. Create a webpage templating system for rendering dynamic data
2. Dive into request and response objects, middleware, and URL routing
3. Simulate a production environment for testing and development
4. Focus on persistence with document databases.
5. Make your resources available to other programs
6. Build secure apps with authentication, authorization, and HTTPS
7. integrate with social media, geolocation, and other third-party services
8. Implement a plan for launching and maintaining your app
9. Learn critical debugging skills
