Conference: Advanced Selection, Interviewing & Recruitment Skills

Conference code: CO8254 From: 3 - 7 November 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Conference Fees: 6000 € Euro

Introduction

This advanced conference equips participants with modern behavioral interviewing techniques, addressing the limitations of traditional methods. With a focus on psychology and the latest advancements since 2008, attendees will master the skills necessary for effective recruitment, appraisal, and disciplinary interviews. Highlights include practical sessions, insights into psychometric testing, and opportunities to build confidence under expert guidance.

Objectives

- Recognize the complexities of recruitment and selection in today's modern environment
- Understand and be able to implement the new recruitment and selection process
- Be able to identify and write recruitment criteria for use in advertising, short listing and constructing effective interview questions.
- Be able to demonstrate to others how the new process will save time and increase dramatically interviewing effectiveness.
- Consider the concept of and know when to use testing, and personality questionnaires and when assessment centers are appropriate.
- Be able to design and use the two-step questioning technique which has numeric scoring.

Methodology

Very practical, interactive, seminar with a high level of delegate participation. There will be illustrative DVD examples and throughout the conference group work. All of the training will carry out in a relaxed supportive atmosphere.

Organizational Impact

- Maximize time, effort and costs and effectiveness of the recruitment procedure
- Utilize existing information to construct high-quality interview questions that are scoreable
- Use a new process that will reduce the possibility of litigation
- Be able to use the new behavioral system as an effective tool to aid recruitment
- Have up to date knowledge of the latest testing approaches and tools

- Be able to know which personality profilers work and more importantly - those that don't.

Personal Impact

- You will assess your own understanding and experience in recruitment and selection
- You will know the nine stages in a successful recruitment
- You will get to practice the skills required during the interview process - many of which apply to development and succession planning
- You will develop personal action plans for improvement - particularly the balanced score method and the new behavioral questioning system
- You will have carried out an interview using the technique gathered
- You will be able to use techniques to discover when documents are falsified or when the candidate is not telling the truth.
