Training Course: Uniform System of Accounting for Lodging Industries

Training Course code: FI234709 From: 1 - 5 December 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction

Hotel information must be organized and reported consistently. It gives you a robust and practical framework for assessing how your hotel is performing and comparing your results to others in the sector. It will teach you the concept of food and revenue and the structure of profit and loss statements for the hotel industry's food and beverage department, as specified by the USALI. You will learn about the food and department expenses and statistics and explore how to analyze profit and loss and resources.

Perquisites

The Uniform System of Accounting for Lodging Industries Part 2 is open to all, with no formal entry requirements. All you need is a passion for learning, a good understanding of the English language, numeracy and IT
