Training Course: The Oxford HRM & Training Programme

Training Course code: HR3014 From: 29 December 2025 - 9 January 2026 Venue: London (UK) - Landmark Office Space
- Oxford Street Training Course Fees: 9000 € Euro

Introduction

In today's tough global market, it is vital that HR and Training instigate the best practices and take advantage of recent innovations to really add value to the organization. During the seminar, you will find out not only what's new but also how innovative practices can be implemented and the way they will benefit your organization in either the public or private sectors.

This seminar will feature:

- Explanation of the main theories surrounding the development of effective HR
- The theories are then put into practice by the use of practical exercises
- Mixing theory and practice
- Practice using new techniques to transform any training activity
- Learn from practices in top companies that surpass "Best Practice"
- Gain a holistic view of the entire training function

The Oxford HRM and Training Programme is offered in two parts that complement each other:

MODULE I - Human Resources Development and Personnel Management

MODULE II - The Training Analyst

Each module is structured and can be taken as a stand-alone course; however, delegates will maximize their benefits by taking Module 1 and 2 back-to-back as a two-week seminar.

Course Objectives of Oxford HRM & Training

Upon completion of the course, delegates will:

- Develop an understanding of human resources development and personnel management practices
- Develop awareness of the advantages of effective human resource management
- To develop an awareness of key HR and HRD strategies for improving organizational success
- Demonstrate trends and do efficiency analysis
- Set up and effectively measure any element of delivered training & be able to demonstrate training

efficiency

- Measure skills, knowledge, behavior, competency, style, self-belief, attitudes, and personality

Training Methodology

The training methodology used is designed to encourage maximum participation by all delegates. The presenter will suggest ideas and theories to the delegates and then encourage them to test out the ideas through the use of discussion, small group work, exercises, and feedback. Case studies, DVDs, group exercises, and worked examples will all be used in a relaxed and enjoyable learning environment.

Organizational Impact of Oxford HRM & Training

- Organizations using these techniques will get more for their training spend
- It provides an efficient audit trail
- It can provide a basis for how training is funded; punished or rewarded for its results
- Lower staff turnover and more effectiveness in selection and assessment
- More commitment from the workforce

Personal Impact of Oxford HRM & Training

- You will find out how to analyze and evaluate - everything
- You will be able to use the latest techniques and models that are proven
- You will be able to produce hard data on training effectiveness and individual application
- You will know how to critically evaluate current HR practices
- You will be able to introduce an effective recruitment process
- You will understand how to get people to work more effectively
