Introduction

At the core of this programme, we use trusted instruments to measure your personal style when in conflict and we will coach you through the issues that arise from the results of the tests.

In this stretching and insightful programme, we use the famous Thomas Kilmann TKI Conflict Resolution Instrument. This tool has been used by all top organisations to create collaborative teams for exceptional performance.

Course Objectives

- Know the 4 areas for conflict
- Use The Thomas Kilmann Model for greater awareness and effectiveness
- Recognise differing behaviours and learn to adapt to them in order to build lasting collaboration
- Build effective communication Skills for increased collaboration and productivity
- Give and receive feedback on performance and perception openly
- Implement and create workable communication action plans
- Know the 10 most difficult types and how to deal with them
- Gain a greater awareness of yourself and your full leadership potential
- Manage relationships with others effectively, from level one through to level four competency in all areas
- Understand the key drivers for lasting change
- Understand the need to take responsibility for leading change
- Understand how to be a Champion of Change

Methodology

Participants will learn by active participation during the program through the use of exercises, syndicate and group discussion, training videos, and discussions on relevant types of accidents and "real life" issues in their organizations.

Target Audiences
