Configuration Management*

*8 - 12 December 2025  
London (UK)  
Landmark Office Space - Portman Street*

## Training Course: Configuration Management

Training Course code: MA235674 From: 8 - 12 December 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

### Introduction

Configuration Management CM is a vital business process that enables teams to efficiently develop, package, and deliver high-quality software. It emphasizes managing essential artifacts such as source code, documentation, and test cases throughout the software lifecycle. CM fosters automation in building, packaging, and deploying software, offering the agility to handle multiple variants of a codebase.

### Course Objectives

By the end of this course, participants will:

- Understand the features and functions of Configuration Management systems.
- Learn to establish boundaries, groups, and manage platform tools.
- Configure resource discovery, role-based administration, and client agents.
- Gain skills in creating queries, generating reports, and analyzing data.
- Master application planning, deployment, and management.
- Configure Wake-on-LAN, power management, and remote control settings.
- Acquire both theoretical and practical knowledge to manage and configure CM tools.

### Methodology

The course uses a combination of:

- Lectures
- Hands-on Exercises
- Real-World Case Studies
- Group Discussions

### Target Audience

This course is suitable for:

- Software Developers
- Project Managers
- IT Managers
- Development Managers
- System Engineers
- Configuration Manager Administrators
- STEM Graduates and Freshers

## Target Competencies

Participants will develop competencies in:

- Application creation, management, and deployment.
- Configuring software deployment settings and distributing content.
- Managing client settings and inventory collection.
- Understanding and implementing CM practices aligned with ISO, US MIL, and CMM guidelines.

## Course Outline

### Day 1: Fundamentals of Configuration Management

- Overview of Configuration Management
  - Definition, Evolution, and Role in Program Management
  - Purpose and Benefits of CM
  - Objectives and Guidelines for Successful CM
- Configuration Identification
  - Product Lifecycle Phases
  - Defining Functional, Performance, and Physical Attributes
  - Engineering Release Systems

### Day 2: Configuration Baselines and Interface Control

- Configuration Baselines
  - Purpose and Benefits of Baseline Management
  - Types of CM Baselines: Requirements, Design, Product Configuration
  - Determination and Implementation in Product Lifecycle
- Interface Control
  - Identification and Management of Product Interfaces
  - Effective Interface Control Working Groups

### Day 3: Change and Status Management

- Configuration Change Management
  - Systematic Process for Changing Baselines
  - Major and Minor Changes: Roles and Responsibilities
  - Impact Assessment and Approval Process
- Configuration Status Accounting
  - Recording and Reporting CM Activities
  - Data Flow and Impact on Product Lifecycle
  - Types of Reports and Metrics

### Day 4: Verification, Audits, and Digital Data Management

- Verification and Audits
  - Functional and Physical Configuration Audits
  - Performance and Design Verification
  - Internal and External Audits
- Configuration Management of Digital Data
  - Data Integrity Principles
  - Version Control and Business Rules

### Day 5: CM Planning and Training

- CM Planning
  - Application to Product Lifecycle
  - Core Elements and Tailoring CM Requirements
  - Developing a CM Plan
- Training and Supplier CM
  - CM Roles and Responsibilities
  - Performance Measurement and Metrics
  - Supplier CM Requirements and Audits

## Registration form on the Training Course: Configuration Management

Training Course code: MA235674 From: 8 - 12 December 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Complete & Mail or fax to Global Horizon Training Center (GHTC) at the address given below

### Delegate Information

Full Name (Mr / Ms / Dr / Eng): .....  
Position: .....  
Telephone / Mobile: .....  
Personal E-Mail: .....  
Official E-Mail: .....

### Company Information

Company Name: .....  
Address: .....  
City / Country: .....

### Person Responsible for Training and Development

Full Name (Mr / Ms / Dr / Eng): .....  
Position: .....  
Telephone / Mobile: .....  
Personal E-Mail: .....  
Official E-Mail: .....

### Payment Method

- ☐ Please find enclosed a cheque made payable to Global Horizon
- ☐ Please invoice me
- ☐ Please invoice my company

### Easy Ways To Register

Telephone:  
+201095004484 to  
provisionally reserve your  
place.

Fax your completed  
registration  
form to: +20233379764

E-mail to us :  
info@gh4t.com  
or training@gh4t.com

Complete & return the  
booking form with cheque  
to: Global Horizon  
3 Oudai street, Aldouki,  
Giza, Giza Governorate,  
Egypt.
