## Conference: Advanced Customer Service Management

Conference code: CO8073 From: 2 - 6 June 2025 Venue: London (UK) - Landmark Office Space - Oxford Street  
Conference Fees: 6000 € Euro

### Introduction

There has been no time in history when customers have had so much choice of where to get service and goods. The internet has revolutionized the marketplace: customers can research, purchase, and review products and services from the comfort of their own homes, or office. Customer expectations have heightened. They demand consistent, professional, and effective service from their suppliers. This highly interactive and fun program examines in-depth how to build lasting rapport and mutual respect with your customers while you uncover their needs, match them, build respect, and maintain customer loyalty. This program will enable you to:

- Build lasting and meaningful relationships with your customers
- Use powerful behavioral tools to ensure you secure and maintain a competitive edge within any marketplace
- Gain a greater understanding of your customer's needs and how to satisfy them
- Explore the basics of Neuro-Linguistic Programming NLP and Emotional intelligence and discover how they can help you to improve your customer services management
- Influence with integrity and crystal-clear communication

### Conference Objectives of Advanced Customer Service Management

- The art of building lasting rapport and lasting relationships with colleagues, customers, and friends
- How to modify your behavior to match others
- The model for establishing good working relationships
- An ability to influence with integrity
- An ability to use influencing skills and techniques to build ongoing and long-term relationships with key customers
- To be able to create and adapt crystal clear models for communication between your organization and its customers
- How to build cooperation and commitment
- A greater understanding of your customer's needs and how to satisfy them
- An ability to tailor services to meet your customer's needs
- Long-term relationships between your organization and its customers
- An ability to be more versatile in every customer-facing the situation
- The ability to recognize behaviors that may cause conflict in the future, enabling you to defuse awkward, and sometimes critical, confrontations with colleagues and customers alike

### Conference Methodology of Advanced Customer Service Management

Participants will learn by active participation throughout the program, using program materials, exercises, training videos, and discussions of relevant organizational issues.

### Conference Summary of Advanced Customer Service Management

- The behavioral patterns of others and demonstrates how you need to change your own to communicate,

- influence, and negotiate more effectively with them
- It looks beyond the traditional "Customer Service" models by examining different behavioral patterns and creating strategies to deal with each.
- In-depth processes necessary to ensure a successful conclusion, for all parties, in every customer-facing situation
- The powerful tools of NLP Neuro-Linguistic Programming & Emotional Intelligence
