Training Course: Advanced Bid and Tender Management

Training Course code: MA234826 From: 17 - 21 November 2025 Venue: London (UK) - Landmark Office Space
- Oxford Street Training Course Fees: 5500 € Euro

Introduction

Advanced Bid and Tender Management Training Program is designed to provide participants with a set of highly desirable skills in managing the bid and tender process effectively and with accountability.

This comprehensive program addresses the topic from both the supplier and purchaser's perspectives, outlining the specific challenges associated with developing working relationships that are not only practical but ethical. In addition, the course covers the following key topics:

- Developing procurement strategies
- Probity & accountability
- Effective negotiation skills
- Anti-corruption safeguards & systems
- Avoiding the 'underbidder' and 'race to the bottom'

Participants will leave the training with the necessary knowledge and skills to bid and tender effectively in a cut and thrust procurement environment, ensuring that every pound spent is accounted for.

Target Audience

The Advanced Bid and Tender Management Training Program is suitable for a number of professional figures, including:

- Procurement Directors
- Business Owners / Managing Directors
- Chairmans
- Supplier Managers
- Supply Chain Consultants
- Buyers / Senior Buyers
- Operations Directors, Operations Managers
- Finance Managers

- Project Managers
- Operations Managers
- Executive Directors
- General Managers
- Divisional Heads
- Project Directors
- Project Engineers
- Project and Team Leaders
- Anyone responsible for or involved in Supplier Relationship Management
